President Russell Sharnsky called the meeting to order at 6:30 p.m.

PLEDGE OF ALLEGIANCE

ROLL CALL: Mayor Roth, here; Mr. Russell T. Sharnsky, here; Mrs. Maria Williams, here; Mrs. Barbara Potts, here; Mr. Todd Stock (6:33 p.m.), here; Mr. Philip Brillhart, here; Mr. Michael Detorakis, here; and Mrs. Kathleen Baum, here.

ALSO PRESENT: Chief Russell Hose, Fire Department; R. Bryan Nace, Law Department; Ernie Staten, Service Department; Mark Ludwig (via Zoom video-conference) and Jacob Kaufman, Finance Department; and Tonja Caldwell, Clerk of Council.

Mr. Sharnsky—We have a quorum present. We will follow the pre-printed agenda. There are copies available in the back of the room. At this time, I would ask you to please check to make sure your cell phone is placed in silent mode.

APPROVAL OF MINUTES

Mr. Sharnsky—Our next item of business is the approval of our regular minutes from April 20, 2020. Everyone has received a copy in draft format. Are there any corrections or additions to the minutes as submitted? Hearing none, I would ask the Clerk to please call the roll for approval of the April 20, 2020 regular meeting minutes as submitted.

Mrs. Caldwell—VOTE ON THE APPROVAL OF MINUTES OF APRIL 20, 2020: Detorakis, yea; Brillhart, yea; Stock, yea; Potts, yea; Williams, yea; Sharnsky, yea; Baum, yea. Seven yeas on the approval of the April 20, 2020 minutes.

PETITIONS, CLAIMS AND COMMUNICATIONS

Mrs. Caldwell—Council received the Financial Reports for the month of March which were approved by the Board of Audit on May 4, 2020.

Mr. Sharnsky—We do have limited essential people that need to be here this evening from our Administration.

REPORTS OF CITY OFFICIALS

MAYOR'S REPORT, MAYOR ROTH

Mayor Roth—Due to social distancing requirements, there are several of the Department Heads who are not attending the meeting tonight, so that we can maintain our spacing. As I indicated in our Committee of the Whole meeting, our hope is that we will reopen City Hall on the Tuesday after Memorial Day, May 26, 2020. At that time, we will reopen the rest of the municipal buildings, however, social distancing will be maintained. Masks will still be worn, following the Governor’s advice. The city parks, as you know, we are under the orders of the Health Department; parks are open but there will be no basketball, no tennis, no use of the playground equipment, and in addition to that, the Learning Resource Center, because it is small inside and there is no way to distance people, will remain closed to the public. The Community Center will not be used by renting the center throughout the
summer. Right now, I can’t predict the future, but with the Governor’s order of ten or more people gathering is being discouraged, so there’s really not much we can do with the Community Center.

My Emergency Order will be amended to reflect these changes and in addition, there is some personnel adjustments that will take place at City Hall such as there is currently a travel ban for all employees not to leave the state and some of the other things in the order will be lifted and modified. We are going to go from there and try to restore some normalcy to the situation. This is, obviously, done with consultations with the Department Heads, making sure that we can maintain status in the health situations.

We did receive bids for the Cleveland-Massillon Road. I will read them into the record. Six companies e-bid. The high was Shelly and Sands at $9.2 million, Ruhlin Company at $8.6 million, SET Inc. at $8.5 million, Kenmore Construction at $8.3 million, Karvo at $8.225 million, and Tri Mor Corporation was the low bid at $8.113 million and some change. This is well below the Engineer’s estimate. The e-bid was completed without protest. We do have a resolution before Council which we will hold until June. My understanding is that late today ODOT wanted to re-review some paperwork submitted by the bidder. Five of the bids were literally bunched within about a half million of each other which I think shows that the bids are pretty accurate and on point.

I will comment tonight on other legislation as needed.

Mr. Sharnsky—Mayor, when you amend your State of Emergency Order, will masks still be required for the City employees and anyone entering City Hall or any of the City buildings?

Mayor Roth—Right now, the Governor and the Health Department has some say, obviously, and I don’t know what they are going to do every time they meet, but if you are alone in your office, you will not have to wear a mask.

Mr. Sharnsky—I’m talking more about outsiders coming into the City Hall.

Mayor Roth—We are still going to have the employees do the temperature checks and we have the masks for the employees and social distancing will be maintained. Those visiting City Hall, are either going to have to have a mask or one will be provided.

Mr. Sharnsky—I think it is mandatory for the restaurant employees to wear masks, when they open back up, and I believe it will be at the patrons’ discretion. Mask isn’t the proper term now; I think it’s face covering.

Mayor Roth—I talked to the people at Summit Mall and the Simon Group and their policy is that all retail employees have to wear masks, but the general public are not required to wear them.

Mr. Sharnsky—I think it’s a great idea when you are out in public.

LAW DEPARTMENT, R. BRYAN NACE

Mr. Nace—I have no report this evening.

POLICE DEPARTMENT, CHIEF DONALD DUMAN (EXCUSED)

FIRE DEPARTMENT, CHIEF RUSSELL HOSE

Chief Hose—May 17th through the 23rd is National EMS week. This gives the community an opportunity to reflect and appreciate these first responders for what they do for us on a daily basis that truly affects our lives. With the
current state of the world and the challenges that they must work with, I applaud each and every one of them. There is never a day off for the first responders; it’s 24/7, 365 days a year.

The City of Fairlawn is fortunate to have an exceptional EMS service. Our City puts a high priority on its safety services that serve its citizens and guests who live, work, and visit our City. We can all be very proud of them.

Mr. Sharnsky—You all do a great job. I think people more and more in these times, are understanding exactly what you guys do. Especially going out to the unknown, for the most part. We appreciate that and I think our services in the City of Fairlawn are the best in the area. Hopefully, we equip you with the latest and greatest equipment as well.

Mayor Roth—I echo what Chief Hose just said. I’ve always been very impressed with our Department Heads and the way they’ve come forward to handle situations and service. It speaks a lot for our City. We’ve gone through a crisis, we are going through a crisis, and things are according to Hoyle; it’s like a well running machine. I appreciate their professionalism.

ZONING/HOUSING/RESIDENTIAL BUILDING DEPARTMENT, WILLIAM ARNOLD (EXCUSED)

ENGINEERING DEPARTMENT, NICHOLAS SPAGNUOLO (EXCUSED)

Mr. Staten—The Mayor already spoke about the Cleveland-Massillon Road bid. Dominion has two projects this year in Fairlawn. The first one is at Cleveland-Massillon and Ridgewood Road. They are currently working on that. It’s going to be a short duration, but that intersection is getting improved this year by Summit County Engineers, so the gas line had to be moved.

The second project will go from Skyway to the Akron line, east of the Akron line. That project will be probably mid-summer and last for a few months. The project actually ends at the Wallhaven area in Akron.

Miller Road Sanitary Project. We have received all the submittals. We expect to see a contractor out there in the next couple of weeks. That project was bid out earlier this year, accepted, and we had a few questions in the field. It looks like they will start real soon.

The bid for Glacier’s Edge Stream and Wetland Restoration Project. That bid will go out tomorrow. It will be published online and in the Akron Legal News. We will have a bid somewhere at the end of the month to speak about.

SERVICE DEPARTMENT, ERNEST STATEN

Mr. Staten—FairlawnGig revenues are now at $199,000.00 per month. And as a reminder, we are not going to do anything with the compactor decals for the moment, so if you already have one, you can continue using the compactor with that decal. We will come up with another plan later in the year.

Mr. Sharnsky—Ernie, could you remind us about the Miller Road Sanitary Project?

Mr. Staten—Emergency repair.

Mr. Sharnsky—Sorry, I know what the project is, I’m just wondering about the duration. That was only a couple of weeks project, wasn’t it?
Mr. Staten—It’s probably going to be a thirty to forty-five day project. We’d like to see them start as quickly as possible so that if the Cleveland-Massillon Road Project needs to use that for the detour right away, then they will be out of the way and we don’t have a detour running into another detour.

Mr. Sharnsky—is that going to be hampered at all by the weather?

Mr. Staten—No. The only thing that the weather would hold up would be paving and that can be timed out pretty well.

FINANCE DEPARTMENT, MARK LUDWIG

Mr. Ludwig—I have no report.

FINANCE DEPARTMENT, JACOB KAUFMAN

Mr. Kaufman—At the last Council meeting we discussed the income tax filing deadline being pushed back to July. Just to give you a little bit of a snapshot as to the impact that had on the department. In April of 2019 we processed 2,615 returns. In April of 2020 we processed 950 returns. So, that’s a decrease of roughly 64%. It was a substantial decrease to our activity. We’ve talked about income tax revenues a little bit. They are down roughly 16%. We hope that a good portion of that recovers as we get closer to the filing deadline and the remaining individuals file and pay their taxes.

Fairlawn City Council
May 18, 2020
Mr. Sharnsky—Would the Clerk please read Ordinance 2020-021A by title only for the third time?

Mrs. Caldwell read Ordinance 2020-021A by title only.

Mr. Sharnsky—We are not able to act on this at this time. We are waiting for review by the Planning Commission with a recommendation and a Public Hearing. We do have an expiration issue with this ordinance. I believe the expiration date currently on this ordinance in June 14, 2020 and our next meeting is not until June 15th, so I would entertain at this time, a Motion to extend the expiration date for Ordinance 2020-021A for an additional ninety days. Would that be sufficient?

Mr. Nace—I would think so, yes.

Mr. Sharnsky—Okay.

Mrs. Potts—So moved.

Mr. Sharnsky—Mrs. Potts made the MOTION; Mrs. Baum seconded. Will the Clerk please call the roll to extend the expiration date for Ordinance 2020-021A for an additional ninety days?

Mrs. Caldwell—VOTE TO EXTEND THE EXPIRATION DATE FOR ORDINANCE 2020-021A FOR AN ADDITIONAL NINETY DAYS: Detorakis, yea; Brillhart, yea; Stock, yea; Potts, yea; Williams, yea; Sharnsky, yea; Baum, yea. Seven yea on the passage to extend the expiration date for Ordinance 2020-021A for an additional ninety days.

Mr. Sharnsky—Are there any other questions or comments on Ordinance 2020-021A at this time? Hearing none, we will hold this in committee.

Mr. Sharnsky—Would the Clerk please read Ordinance 2020-034 by title only for the second time?

Mrs. Caldwell read Ordinance 2020-034 by title only.

Mr. Sharnsky—Comments from the Administration?

Mr. Nace—Yes, as we discussed in our Committee of the Whole meeting, I have provided some additional updates to our Exhibit A. I passed out a copy of that earlier this evening. I made a few changes, most significant of which was on the second to the last page, which was a complete revision of Section 222.01 regarding the effective dates of the legislation. If there are any questions on that, I’d be happy to address them at this time, but otherwise, I would recommend that Council review these materials and hold this item for the next meeting for the third reading.

Mr. Sharnsky—Are there any questions or comments from members of Council at this time on the ordinance? Hearing none, we will hold this for further review and address it at our next regular meeting.
Mr. Sharnsky—Would the Clerk please read Resolution 2020-038 by title only for the first time?

Mrs. Caldwell read Resolution 2020-038 by title only.

Mr. Sharnsky—Mr. Stock made the MOTION to accept; Mr. Brillhart seconded. This was introduced for the reason of the current situation that we’re in. The need to change or modify our meeting schedule. I think we did this last month as well and we will probably do it again next month. Or no, there won’t be a need to.

Mr. Nace—There won’t be a need to next month.

Mr. Sharnsky—Good. There is a need at this time to modify our schedule. Are there any questions or comments on the changes? Hearing none, I would ask the Clerk to please call the roll for Resolution 2020-038.

Mrs. Caldwell—VOTE ON RESOLUTION 2020-038: Brillhart, yea; Stock, yea; Potts, yea; Williams, yea; Sharnsky, yea; Baum, yea; Detorakis, yea. Seven yea on the passage of Resolution 2020-038.

Mr. Sharnsky—Would the Clerk please read Ordinance 2020-039 by title only for the first time?

Mrs. Caldwell read Ordinance 2020-039 by title only.

Mr. Sharnsky—Mrs. Baum made the MOTION to accept; Mrs. Williams seconded.

Mayor Roth—This is a companion ordinance or follow-up to us creating our own Traffic Bureau. We discussed this at the Committee of the Whole meeting. It’s the first reading only. I would ask you to hold this in committee. One of the things we do have in there now is the icing.

Mr. Sharnsky—Violations for ice cars.

Mayor Roth—Violations for ice cars, but this again, is a follow-up to creating our own Traffic Bureau. I’d ask Council to review it and we can deal with it again at the next Council meeting.

Mr. Sharnsky—Any other comments from members of Council, questions, or anything more from the Administration? Hearing none, we will hold this in committee.

Mr. Sharnsky—Would the Clerk please read Ordinance 2020-040 by title only for the first time?

Mrs. Caldwell read Ordinance 2020-040 by title only.

Mr. Sharnsky—Mr. Stock made the MOTION to accept; Mr. Detorakis seconded.

Mayor Roth—As I discussed in my opening remarks, we did receive these bids. They appear to be in order. The Board of Audit and Review has recommended the lowest bidder, however, we would like to hold this pending the final comments from ODOT.
Mr. Sharnsky—Are there any questions or comments from members of Council? Hearing none, we will hold this in committee.

********************************************************************************

Mr. Sharnsky—Would the Clerk please read Resolution 2020-042 by title only for the first time?

Mrs. Caldwell read Resolution 2020-042 by title only.

Mr. Sharnsky—Mr. Brillhart made the MOTION to accept; Mrs. Potts seconded.

Mayor Roth—We are trying to be proactive with the legislation that has been enacted by the State. It’s not finalized yet, but we think it’s wise to have this resolution in place. Mr. Kaufman, do you want to add anything?

Mr. Kaufman—As the Mayor said, we are being proactive here, but I think everything that we’ve included in this legislation is something that would not be changed by the State once it passes. So, I think we are safe to go ahead and move forward with this.

Mr. Sharnsky—We did have discussion in our Committee of the Whole meeting and I think we had some good dialogue on the reasoning for this resolution. Are there any comments or questions from members of Council? Any objections to moving forward? Hearing none, I would ask the Clerk to please call the roll for Resolution 2020-042?

Mrs. Caldwell—VOTE ON RESOLUTION 2020-042: Stock, yea; Potts, yea; Williams, yea; Sharnsky, yea; Baum, yea; Detorakis, yea; Brillhart, yea. Seven yea on the passage of Resolution 2020-042.

********************************************************************************

Mr. Sharnsky—I would like to set the next Committee of the Whole meeting date which will be on the date of the next Council meeting which is Monday, June 15. I believe this format is working fairly well. Our Committee of the Whole meeting will begin at 5:30 p.m. and our regular Council meeting for June will start at 6:30 p.m.

Mr. Sharnsky—Mrs. Baum made the MOTION to accept; Mr. Detorakis seconded.

Mrs. Potts—In our Committee of the Whole you encouraged us to pass this tonight as a companion to receiving these funds. Is that still your opinion?
Mr. Kaufman—Yes, that’s correct. As we stated, the Ohio Senate has approved this. The Bill that goes along with this, we are just awaiting House approval. We hope that they get to that before the next Council meeting so we’d like to have this fund created and money appropriated. That way if they begin doling out the funds, we’re ready to receive them and put them to good use.

Mrs. Potts—I’d like to make a Motion to suspend the three-reading rule.

Mr. Sharnsky—Mrs. Potts made the MOTION to suspend the three-reading rule for Ordinance 2020-043; Mr. Brillhart seconded.

Mr. Stock—Would the Clerk please read Ordinance 2020-035 by title only for the second time?

Mrs. Caldwell read Ordinance 2020-035 by title only.

Mr. Stock—Mr. Mayor?

Mayor Roth—This is the second reading. Mr. Staten, is there a timeliness issue here?
Mr. Staten—I think we’ve explained it pretty well. If there are questions, we can answer the questions, otherwise, I think we’re in good shape.

Mr. Stock—I’d like to suspend the three-reading rule and ask for another reading.

Mr. Sharnsky—Mr. Stock has made the MOTION to suspend the three-reading rule for Ordinance 2020-035; Mr. Detorakis seconded. Would the Clerk please call the roll for the suspension of the three-reading rule for Ordinance 2020-035?

Mr. Stock—Would the Clerk please read Resolution 2020-041 by title only for the first time?

Mrs. Caldwell read Resolution 2020-041 by title only.

Mr. Sharnsky—Mr. Detorakis made the MOTION to accept; Mrs. Williams seconded.

Mr. Stock—Mr. Mayor, I know we talked about this in our Committee of the Whole meeting.

Mayor Roth—Yes. This is a residential street in the northern part of the City. Right now, it’s served mainly by a well and we have at least one house with 100% well failure, and we have two other houses that are not far behind. We are working with the City of Akron to extend the water line down the entire length of the road to add service to that area. There is a timeliness issue, so I would ask you to look favorably on this, we aren’t spending any money on this, but we need to move forward with the plans for the bidding and specifications.

Mr. Stock—Any questions? I would like to call the question.

Mr. Sharnsky—Would the Clerk please call the roll for Resolution 2020-041?
