PROJECT UPDATE

CITY OF FAIRLAWN

2/20/2026

WORK PLANNED FOR NEXT WEEK

- Tree removal will begin at Bicentennial Park. These trees have been identified for removal as part of the project improvements. **On February 23rd Bicentennial Park will be temporarily closed for 3 days while this work takes place - please do not enter the park during this time.**
- Grading and earthwork will continue on the west side of the site.

SPECIAL NOTES

Tree removal - In the coming weeks, some trees will be marked for removal. Trees and landscaping identified for removal have been determined to be invasive species, in poor health, or located in areas that conflict with long-term project improvements. The decision to remove any tree has been made carefully and only after thorough evaluation.

Site Safety - For your safety and the safety of the construction crews do not enter the construction site or approach the workers. If you have any **questions or concerns** during construction please
